

City of Utica Closing

Update as of 3/19, Thursday, the City of Utica Vital Records office and the City Clerk's office is closing completely for the next 3 weeks, will return on Monday 4/13 (hopefully). I will be doing electronic filing from home, you will still be able to file a certificate, bury and/or cremate when needed. When needing copies, you will be able to apply when I return to the office on Monday 4/13. I will not be allowed into the building until that date, no exceptions.

We can always be reached on the city cell phone 315-534-1646 if you have any questions.

Thank you,

Registrar of Vital Records, City of Utica
