Revised Memorandum to Funeral Directors

This Memorandum supersedes and replaces the Memorandum dated March 16, 2020. Due to escalating concerns regarding the Coronavirus pandemic, only Kensico employees will be permitted to enter the office. All funeral attendees are to remain in their vehicles except that they may use the public restrooms but thereafter must immediately return to their vehicles.

Funeral directors must call the Kensico front office upon arrival (914-949-0347, ext. 1). A Kensico employee will meet the funeral directors outside the office to arrange for the required paperwork to be signed and exchanged.

Thank you for your courtesy and cooperation during these difficult times.
